To Whom It May Concern,

On behalf of SickKids Foundation, we are extremely pleased that Paula Murphy and committee will be hosting "Maya's March" on June 5, 2011 to benefit SickKids Foundation.

We are most appreciative of your donation to the event as the funds raised are in support of Primary Ciliary Dyskinesia (PCD) research at SickKids Hospital and will help many children around the world. The future promise of "SickKids" rests upon the availability of more funds to provide support services for new advances in diagnosis, treatment and care. The proceeds from this event will help us fulfill this promise.

Your participation will mean that SickKids is able to continue its vital work not only for the children of Toronto, but of Ontario; Canada and the world, and to fulfill our vision of: "Healthier children. A better world."

Please direct all donations to:
